

CORNERSTONE RECEIVES BRONZE ECOVADIS MEDAL FOR SUSTAINABILITY INITIATIVES

August 22, 2023 – BASKING RIDGE, N.J. – Cornerstone Relocation Group (Cornerstone), a leading global workforce relocation company, announced that it achieved a bronze rating for its sustainability practices from [EcoVadis](#). EcoVadis is a leading global sustainability rating platform that provides companies with comprehensive assessments of their environmental, social, and governance (ESG) practices.

Cornerstone's bronze rating demonstrates the company's focus on, and long-term commitment to, environmental consciousness and building responsible business practices.

Janelle Piatkowski, Cornerstone's founder, president and CEO said, "The EcoVadis rating system is based on a variety of criteria, including environmental impact, labor practices, human rights, ethics, and sustainable procurement. It gave us the opportunity to evaluate our approach transparently and set a foundational standard that we now look forward to continuing, improving, and optimizing in the future."

Cornerstone's Sustainability Committee will use its EcoVadis assessment, which is updated annually, to benchmark its sustainability performance and identify areas for improvement. The rating is a visible reminder of the company's [commitment to sustainability](#) for clients, employees, and other partners.

Piatkowski added, " We are committed to lessening our environmental impact, strengthening our supply chain sustainability, refining polices, and ensuring a diverse and inclusive environment for all employees. Our corporate social responsibility initiatives are key to providing our client partners with responsible and sustainable workforce mobility services, now and into the future. Our bronze rating is an important milestone and testament to the hard work of our employees and supplier partners who have contributed to these efforts."
